

How to Access Wiley Online Journals

STEP 1: Register on Wiley

Register on Wiley Online Library. Use the QR code to go directly to the site, then click **Register** (top-right corner).

STEP 2: Create an account

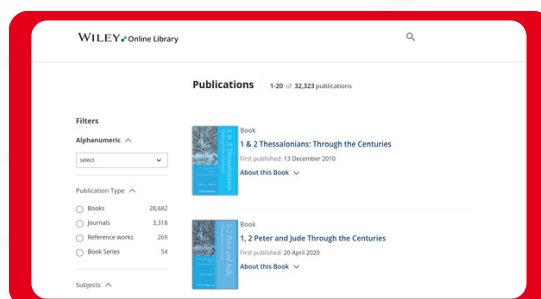

Sign up using your MCL Live account (or the Microsoft toggle) to access journals. **Verify** by accepting permission and entering the code sent to your MS live account.

NOTE: Log in must be done while connected to the campus network only.

STEP 3: Browse and Access

Search for content using the search box.

If the student wish to use Wiley Journals outside MMCL, the 60-day trial access will begin.

To renew remote access, users simply need to log in to their Wiley account again while connected to the campus network.

Each login on campus extends access for another 60-day period.
